Sir,

With reference to your letter No.Ollo/ MR.37-22-3 dated 24th January 1923 regarding a supplemental estimate for Rs.170/- on account of Establishment, tools and plant charges for the installation of a lightning conductor to the Sri Mallikarjuna Swami temple at Bettadapur, Mysore Taluk, I have the honor to forward a copy of Mysore District Deputy Commissioner's letter No.C.418/22-23 dated 15th February 1923 and to request that the establishment, tools and plant charges may be waived as a special case as recommended by the Deputy Commissioner in view of the fact that the institution is reported to have only a very limited balance of Rs.239-5-0 at its credit, out of which the amount of the estimate viz., Rs.170/- has to be met. The situation of the temple makes it liable to frequent danger from atmospheric electricity. This contingency is very rare in the case of temples and so, the establishment etc., charges for installation of a lightning conductor may be waived as special case.
